

Pickleball Policy and Rules and Regulations

June 23, 2021

PURPOSE: The purpose of this policy is to regulate the use of the Paseo pickleball courts in a manner that serves the needs of our community.

DEFINITIONS:

High Season: December 1 – April 30

Low Season: May 1 – November 31

Resident: A homeowner, renter, or registered guest having full fingerprint privileges.

Visitor: A guest of a resident.

Open Play – A period where courts do not need to be reserved.

By Reservation – Scheduling a court via a dedicated app in advance of play.

Court 1 and Court 2 – The courts located in Lifestyle Park.

Court 3 – The court that is located near the bocce court.

PROCEDURES:

There are two methods in place to secure a place on a court – Open Play and By Reservation.

Open Play – all residents and visitors accompanying a resident may play during these sessions – no reservation is required. All players can join in a game by placing their paddle on the bench. If player has already played a game, they may indicate their willingness to play another game by putting their paddle in the “Winners” or “Losers” pile on the bench.

Open Play will take place as follows:

- Daily: 8am-10am on Court #1 and Court #2
- Monday–Friday: 5pm to dusk on Court #1
- Daily: 3pm-5pm on Court #3 (when renovated)

By Reservation - Whenever courts are not being used in Open Play, a reservation must be made for the courts.

This is how it works

- You need to self-register and "create an account" at <https://app.courtreserve.com/Portal/Pickleball%20at%20Paseo>

- You will be on hold as we work to verify you are a resident with full reservation rights.
- Once you get your welcome email, you may go on to the website www.courtreserve.com (or app on your phone) and plan your day!
- You can download the COURTRESERVE MOBILE APP from both the IOS and Android stores and login with your email / username and password that you set up when registering.
- If you experience any trouble please contact Tyler Viens, the Recreation Manager TViens@KWPMC.com

How to Reserve

1. Only residents may reserve courts.
2. The resident making the reservation is always the responsible party.
3. Reservations will be made through www.CourtReserve.com
4. If a resident reserves a court but fails to show up within 10 minutes of the start time, they forfeit the court to any walk-on players.
5. If a resident fails to show 3 times for a reservation, their access to the reservation system may be blocked.
6. Court reservations should be cancelled no later than 7 p.m. the night before (except for weather related conditions).
7. Each resident may make one reservation per day.
8. Courts can be reserved 3 days in advance.
9. On the day of play a resident may make a second reservation if there is a court available

Special Events

At certain times during the year courts may be reserved during certain hours for community wide tournament / specialty hours / or other special events.
