Presidents Report  
October 2022

Thank you to everyone that helped our neighbors and our community with shutters before and after this devastating storm. Thank you to the volunteers preparing before the storm and cleaning up after, starting with those out with chain saws to clear roads early the morning after. Thank you to the staff and volunteers for all of the prep work and to the staff that helped clean up and get the village center back in shape despite their own hardship. Thank you to the CDD and vendors who stepped up to get our community operating and looking great. Thank you to all of those in our community that donated goods and time to those communities hardest hit to the west that were less fortunate than us.
