Presidents Report  
March 2021

We have about one month left in this very busy winter season. For reasons resulting from the pandemic we are unable to fill many vacant staff positions. Please be patient with our staff. They are doing their best to provide us with a great experience.

We have many events planned for the remainder of the season and most venues will at times be crowded so please be courteous to members and guests and continue to adhere to safety guidelines in and around the Village Center.
