

Paseo Master Association
Presidents Report
September 2021

A big thank you to our members for their patience the last three weeks as we struggled through kitchen staff shortages primarily due to covid-19 related issues which forced a reduction in restaurant operating hours. We are back to normal operating hours beginning this week.

Also, thanks to the management team for coming up with a solution to keep the Tiki open while the kitchen floor was re-surfaced. Our liquor license requires food service to sell alcohol. The solution was to serve microwaved food out of the Tiki with disposable plates and utensils.

We are in the process of finalizing the budget for 2022 and as part of the process we will have a finance town hall near the end of September. Member input is important so we encourage all members to attend and participate.
